ARLINGTON MAY REFUND INDEBTNESS

Plan Would Strengthen The Financial Condition of Arlington Heights.

Grant W. Henderson, representing Kerfoot, Leggett & Co., a Chicago investment firm, appeared before the Arlington Heights village board Monday evening and outlined a refunding plan, the purpose of which would be to take over all of the general indebtedness of the village amounting to approximately \$25,000 and reissuing refunding bonds, all of which would become due Oct. 1, 1955 and the bonds would be callable in numerical order each year as the taxes are paid.

Under this plan none of the bonds could go into default, thereby insuring the credit of the village until 1955 and in the meantime they could and would be retired as the taxes are paid each year.

Mr. Henderson explained the advantages that the plan offers and the nominal amount which would cost the village, which would be 2% or \$500 for the entire issue, said costs to include all expenses of attorney, printing, and fees.

During the discussion it was learned that due to a new law passed and signed by Governor Horner last month indebtedness of the village including outstanding corporate bonds and unpaid public benefit, does not exceed the statutory limit. In plain English, the village of Arlington Heights IS NOT OVERINDEBTED. The change in the law provides relief in those instances where reductions in villages to such an extent that credit is impaired. The change in law does not permit an increase of general bonds, but does take care of existing public benefits that can not be paid.

Mr. Henderson may present similar plans to the high school and District 15 school boards, which, if adopted by those bodies, would put an end to any defaulted bonds of any of the local taxing bodies. No action was taken by the village board at this time.

Ask 10% Fee To Collect From Sweitzer Fund

Representative of R. L. Pierce Co., the firm which made the audit of the Sweitzer Redemption fund, which brought about his indictment and trial, appeared before the board and offered to include Arlington Heights in a survey which that firm intended to make for \$3,800 additional against said fund. The visiting auditor gave a guess that in reality two or three times that amount was due Arlington Heights. No action was taken by the board except to leave the matter in the hands of the finance committee.

Refuse Building Permit

Arthur Cameron, 1012 N. Highland avenue reported to the board that he desired to improve a garage-house now occupied by him at the rear of the above lot, but had refused a permit by the building commissioner. He had failed in his attempt to secure release signatures from adjoining property owners, and was informed that there was little the board could do for him. The matter was referred to building and grounds committee.

The village clerk notified that he had forwarded final notice to ten business men who had failed to respond or pay inspection fee on signs located on their property.

The police department reported that 93 arrests had been made for traffic violations and fines totaling \$271 had been remitted to the village. Thirty-three cases are still unsettled.

The water committee reported the collection of \$2,969.26 from 933 water consumers.

The failure of the "orange" to operate in the traffic lights on the highway was attributed to a short in the system, which the department will endeavor to locate.

A request was presented for the grading of Frederick street which would first necessitate the establishment of a proper grade, which was referred to the street committee. This is a half street upon the northeast side of town. The bill and payroll amounting to \$1,378.10 was passed for payment when funds are available.

The treasurer's office reported that it needed help if the delinquent books for the last four year period are to be prepared by August 1. A WPA set-up has been forwarded to Chicago for employment of men qualified to do such work.

The question of the annual audit of the books of the treasurer, were informally discussed and the clerk instructed to solicit bids from auditors interested.

NOTICE

Rubbish collection will start on South Side May 1, 1936. Garbage and ashes will not be picked up and cans must be in containers on curbing.

Village Will Make Good "Souvenir" Check Issued 16 Years Ago

An Arlington Heights village check dated Sept., 1920 and issued to Henry Garms for special police service in the amount of \$5.00 has been presented for payment, and from the expression of the members of the village board Monday evening, said check will be honored.

The voucher for the services of Mr. Garms was signed by Mayor P. J. Mors and Arthur L. McElhose. The latter told the present board members, that he had made numerous attempts years ago to have Mr. Garms present the check for payment, but the payee refused, stating that he preferred to keep it as a souvenir.

The piece of paper was recently found in the effects of the late Mr. Garms and inquiry as to its validity was made by George Hieber.

AT THE HIGHWAY SHERIFF STATION

DID NOT STOP FOR STOP SIGNS: TWO SENT TO HOSPITAL

Mr. Lee Kimmerher of 3204 Gustave street, Franklin Park, Ill., driving his car on Wolf Road failed to stop for the stop sign at Oakton street and crashed into the car of Mr. Curtis Dietrich of Chicago, Ill., throwing both cars into the ditch and seriously injuring both men. Deputy Trochowski investigating the accident found from all circumstances that Kimmerher had been traveling at an excessive speed and apparently, negligently handled his car. Both men were taken to the Northwestern hospital suffering from possible internal injuries and skull fractures. No matter how wide open an intersection may be and no matter how good your vision may be, be sensible and stop for a stop sign. The object in so doing, is not to avoid possible arrest, but to save a life.

GLENVIEW WOMAN DRIVES AROUND GATES TO HIT TRAIN—SHE DOES

Deputies Alkire and Borgia investigating a train and auto accident April 14, at Skokie boulevard and Willow road, learned that Mrs. Henry Everetts of Glenview, Ill., driving east on Willow road, apparently had driven around the lowered crossing gate and crashed into the third car of a 3 car train that was city bound. The car was dragged for about 75 feet and the train had proceeded for 1/2 mile before it was brought to a stop. The automobile was completely demolished. Mrs. Everetts was rushed to the Evanston hospital to be treated for the worst possible, and an examination revealed her to have sustained bruises and a lacerated scalp. It is not my intention to belittle any persons driving, however, it is wise to bear in mind, that even if you tie, you lose.

DOGS BRING TROUBLE FOR OWNER OF NORTHBROOK DOG KENNEL

It was not the intention of the complaining witness against Mr. Henry Schatte of Waukegan road, Northbrook, Ill., to do a good deed merely because this is the kind of Animals was the first of several complaints upon which action was taken by the complainant. Schatte had been operating a combination dog kennel and junk yard, and neither with apparent success, and besides suffering himself, the dogs also suffered, to such an extent, that he will have considerable explaining to do to Judge Sengstock, before whom the case is scheduled to appear. Some dogs are more fortunate than others in having a good home, but every dog, even the homeliest mutt, should receive humane treatment.

EVEN DEPUTY SHERIFFS ENJOY A BALL GAME

If any of the readers of this article happen to pass the station and notice the plowed ground in the rear, do not think that Sheriff Toman's Highway Police are going in for farming; they are merely planning to keep themselves in shape by engaging in competitive indoor baseball games. This may also be construed as a friendly challenge to neighboring indoor teams (not of professional caliber).

Suspicious Characters Wait Too Long Before Pulling Their Gun

Two men, after hanging around a potato car all afternoon that was being unloaded at a C. & N. W. team track at Palatine, waited until seven o'clock to attempt their hold-up. All they received was \$3 for the afternoon. Herman Schrader, of Hicks road, had spent the day selling potatoes, but on the advice of his step father, Mr. Krueger, had departed with the largest part of the receipts.

Mr. Krueger remained at the car and collected additional money, but when he saw the two men again approaching the car, he became a little more suspicious than formerly, and hid all except three dollars that he had on his person. On the demand to "stick 'em up," Mr. Krueger said nothing about the roll that he had thrown to the back of the car.

The bandits in their search for money cut off his overalls.

JUDGE CUTTING NOTED JURIST LAWYER DIES

First Principal of Palatine High School; Achieved Fame as Jurist and At- torney.

MEMORIAL SERVICE
All friends of Judge Cutting and those who desire to pay tribute to his memory are invited to attend the memorial services which will be held in Cutting Hall, Palatine high school building, Sunday afternoon, May 3. Full Program next week.

Charles S. Cutting, former principal of Palatine high school and a prominent member of the Cook county bar, died after a short illness, at the Presbyterian hospital, Chicago, last Friday. He was 82 years old.

Funeral services were held Monday afternoon at the Fourth Presbyterian church, Chicago. Burial was in Palatine cemetery.

Mr. Cutting came to Palatine in 1874, where he served as principal of the high school, until 1880. In 1876 he married Miss Annie E. Lytle of Palatine, who died in 1920. Robert M. Cutting, their only child, died in 1930. His wife, Mrs. Mary Bartleme Cutting of Winnetka, survives.

While teaching at the Palatine high school, Mr. Cutting studied law and was admitted to the Illinois bar in 1879. A year later he resigned his principalship and began active practice in Chicago.

Mr. Cutting became probate judge of Cook county in 1899, succeeding Josiah Knickerbocker, under whom he studied for admission to the bar. He held this position until 1912, when he declined to run again because he believed that politics interfered with the efficiency of the office. He was elected president of the Cook county bar association in 1915. Since his retirement as probate judge, he had been a member of the law firm of Cutting, Moore and Sidley.

Mr. Cutting was always a friend to education. He proved himself also a friend to Arlington Heights high school district which he represented for a period of nine years from 1914 to 1922, during which time he took the cause of the local high school to the Illinois Supreme Court three times. When local supporters of the high school would become discouraged over their effort to have the district legally recognized it was Judge Cutting, who said, "there is always a last kick and the Arlington Heights high school district has not yet made that last kick."

Mr. Cutting took the case on faith and after ten years litigation was successful, received only a modest fee.

The auditorium in the Palatine high school is named after him and bears a bronze tablet stating that fact. The library of that school has also received many gifts from this man, who on every visit to Palatine in recent years, would say, "let us drive by the high school." As late as last fall in behalf of American Education week he spoke in Cutting hall, recounting many instances of his early days in Palatine and the obstacles that had to be overcome in the establishment of the Palatine high school in 1878, which for twenty years was the only high school between Jefferson Park and Woodstock.

Palatine Represented at Funeral
A group of Palatine friends and representatives of both the Palatine high school and elementary school boards attended the funeral services. Both schools were closed Monday, out of respect to Mr. Cutting and the flags placed at half staff.

Arlington Heights Tax Payers Average 56 Pct. of Tax Bills

According to a report made last week to the Arlington Heights Park District by Elmer Crane, a member of that body, the tax payers of Arlington Heights Park District during the past three years have paid less than 60% of the tax that was levied by that board. The figures presented by Mr. Crane are:

	1932	1933	1934
Levy	3500.00	3250.00	3000.00
Collected	1979.60	1882.42	1769.70
Bal. due	1520.40	1367.58	1230.30
Pct. of col.	56.6%	57.9%	55.7%
Tax ex.	3296.62	3219.77	3348.29

The tax extensions as made by the county clerk for the above years, which are given herewith do not change the percentage of payment to any marked extent.

THANKS TO VOTERS

The strong support given me for preliminary committeeman at the primaries last week is very much appreciated. It was impossible for me to make a concentrated personal effort in my own behalf and my campaign was entirely into the hands of my friends. I never had any doubt as to the loyalty of these men and women, but it is gratifying to know that there were so many others who were sufficiently interested in my candidacy to cast their vote for me.

OPPOSE TRANS- FER OF RELIEF TO COOK TOWNS

Believe Central Control for County Is Best; New Law Would Create 32 Agencies.

Unless the state legislature amends the relief act known as the Hickman-Lantz bill now before it for consideration, the administration of relief in Cook county after July 1, will be chaotic and inefficient, G. B. McKern, president of the Civic Federation and Bureau of Public Efficiency, declares. Under the present set-up which McKern wants continued, the county bureau of public welfare is in complete charge in the City of Chicago and the country towns. The new law would create 32 different agencies, he says, to administer relief all but one inexperienced.

The Cook county board of commissioners will ask the legislature in amending the relief act to extend the life of the relief commission until July 1. A resolution to this effect was adopted at a board meeting yesterday.

The present act provides that the county shall be responsible for county relief administration between May 1, when functions of the relief commission expire, and July 1, when the complicated division of responsibility between Chicago and outlying townships would take effect.

Joseph L. Moss, director of the county bureau, told the commissioners that departure from the present administrative setup during May and June would be complicated and impractical.

It is estimated that relief in Cook county for May and June would be about \$7,000,000, if administered as in former months.

St. Peter Luth. Church To Raise \$5,000 in Cash

Members of the St. Peter Lutheran church last Sunday voted to raise \$5,000 for various church improvements. A committee consisting of trustees and deacons was appointed to solicit every member for contributions. \$1,000 was pledged Sunday. Contributions in sums of from \$10 to \$100 will be asked. The aim of the committee is to raise the money within a month.

The church buildings will be painted and redecorated. The organ will be rebuilt at a cost of \$2600, which, according to the Rev. Harry C. Fricke, pastor of the church, will make it as good as new. A new organ would cost \$10,000, he said.

"All improvements are sorely needed," Mr. Fricke stated, "and the response of the membership is very gratifying."

MISS LOUISE EDMONSON, popular Norgie home economist, who will conduct the cooking school at the Arlington Theatre, which opens for a two day period next Wednesday afternoon.

Richert's Jewelry Store, Des Plaines, Enlarges

The Emil F. Richert jewelry store at 708 Central street, Des Plaines, announces a greatly increased floor space for the convenience of customers and a full line of new spring merchandise such as diamonds, rings, watches, etc. The store has been remodeled and offers a pleasing appearance. This week a diamond sale is in progress at Richert's, with prices at exceptionally low levels.

Attention Farmers And Chicken Raisers

In anticipation of contracting for an entire carload, I am taking orders for feed at carload prices which means that those who place their orders at once will be able to get their feed, whether it is only a hundred pound sack or a whole ton at the carload price. This gives the farmers and chicken raisers a very low price. For quotations call at the store. We anticipate an advance in price and orders should be given at once.

We also have dairy feed at very attractive prices.

PRIZES, MOVIE, COOK'NG SCHOOL ATTRACTIONS

Two Interesting Days For All Women Next Week At Theatre.

The Norgie Cooking school, sponsored by the Dreyer Electric company and the Norgie school of home economics and cooking, will open next Wednesday afternoon at the Arlington theatre under the direction of Miss Louise Edmonson, Norgie home economist. This is the first event of its kind to be held in Arlington Heights and will last two days, from 1:30 p. m. to 4:30 p. m., April 28 and 29.

Because of the low price of admission which is only ten cents, the theatre which has a seating capacity of 600 is expected to be filled both days. Opportunity will be given Arlington housewives to learn about new recipes, new menus, and new ideas about saving time, work and money at the many demonstrations that will be offered. Miss Edmonson, a noted home economist, will prepare and cook appetizing and popular menus upon the stage.

To make it more than worthwhile for every woman who attends, a large list of prizes are being offered by the Dreyer Electric company, the Arlington theatre and a large number of merchants. Dreyer's will offer a grand prize of \$105, which represents a choice of a Norgie washer, refrigerator, gas range or ironer and in addition \$94 - \$5 merchandise certificates which can be applied on the purchase price of any Norgie product. Three merchandise certificates valued at \$25, \$15 and \$10 are also announced by Dreyer's.

Arlington merchants cooperating with the cooking school and offering prizes are: Schmidt Bros., Collignon, John Angeloff, Mgr. A & P, Masny Market, Fessler Dairy, Duntman Dairy, Scolaro Fruit Store, Sunshine Fruit Store, Arlington Roller Mills, Mors Bakery, Klehm's Nursery, Quality Market, Royal Blue Store, Gieseke Department Store.

There is a further treat in store for every woman who attends. A special exclusive movie, entitled, "The Restless Urge" will be featured on the screen as a part of the afternoon of events each day.

Every woman in Arlington Heights and neighboring communities is invited to attend by the sponsors and those cooperating.

Arling'n Pastor Spending Two Weeks in Minnesota

The Rev. Harry C. Fricke is spending two weeks at the home of the Rev. E. C. Glabe, Minneapolis, Minn. Otto Landeck of Mount Prospect, a student pastor, will occupy the pulpit at St. Peter's this Sunday.

Community Job Awaits Some Body

There is a real community job in Arlington Heights awaiting somebody, or some organization which is community minded. There will be a tremendous amount of work involved, and the reward will not be in dollars and cents.

Arlington Heights is one of the few communities that has not conducted or is not planning a Centenary celebration in commemoration of the settlement of Wheeling township by its pioneers. Mt. Prospect conducted such an event two years ago. Palatine, through the Lions club, is planning upon such a celebration this year. How about Arlington Heights?

It should be a community affair for both the villages of Wheeling, which was first settled, and Arlington Heights, originally known as Dunton.

It is a job that calls for volunteers. Thus the Herald is this week issuing this call for suggestions as to how the movement could be most advantageously started.

Let the Herald hear from you, in either signed or unsigned communications.

A. H. T. H. S. Seniors To Present Play On Friday Night

There are still a few seats available for the Senior Class play, "Charlie of the Ozarks," which will be given Friday evening of this week in the high school auditorium. All persons who have already purchased tickets should exchange them for reserved seats at Sieburg's Drug Store while there is still a choice and any others interested may obtain tickets there or at the box office on the evening of the play for 35 cents.

Between the first and second acts entertainment will be furnished by a dance team from the Senior class, and the faculty quartet will sing between the second and third acts.

Former Palatine High School Instructor Now Heads Chicago Schools

Wm. H. Johnson, who was elected superintendent of the Chicago school system at a salary of \$15,000 Tuesday night, and any others interested may obtain tickets there or at the box office on the evening of the play for 35 cents.

Palatine Only Village To Hold An Election

The village of Palatine had an election Tuesday. It was very quiet and if the taverns had not been closed few people would have realized that the judges and clerks were waiting at the village hall for votes.

The law provided that a police magistrate should be elected for a term of one year. James Harz, son of the late Attorney Henry J. Harz was the only candidate.

OLCESE TAKES A REST

Owing to the strenuous campaign, the recent primary entailed, Mr. George Olcese left Wednesday for Hot Springs, Ark., ostensibly to rest. George refused to discuss any political significance to his trip but stated upon his return he would talk politics with the boys. George, you friends wish you "bon voyage," a pleasant trip and a speedy return.

"EDDYCATION," a play sponsored by Orchard Place P. T. A., will be given Friday, April 24, and Saturday, April 25. A dance will follow on Saturday. Music by Heine's orchestra. Commences at 8 p. m. Eastern standard time. Admission Friday 25c, Saturday 50c.

Dr. Walter Maier, Lutheran Hour Radio Speaker, Maine High School With Choral Union Concert May

Dr. Walter A. Maier, Lutheran Hour speaker, will give an address at the Lutheran Hour Benefit Concert at the Maine Township high school gymnasium Sunday, May 3, at 8:00 p. m.

You will welcome the opportunity to meet and hear this forceful speaker in person. The series of Lutheran Hour broadcasts, completed Easter Sunday, received a wider response than any other purely religious program on the air.

Bringing Christ to the Nation
The Lutheran Hour has but one aim, and that is to exalt Christ and Him crucified as the divine Savior in the hearts and lives of millions. It wishes to bring the Christ of the Cross to the nation and to the homes of its people. The Lutheran Hour will be on the air again this fall.

Chorus of 250 Voices
This concert is being given in observance of National Lutheran Music week, May 3-9.

The Northwest Suburban Choral Union of the Waltham League has a membership of 250 voices and has been rehearsing during the past months and will thrill the audience

ACHIEVEMENT CONVENTION IS TODAY

Model Legislative Session

To Be Feature; State Officials to Preside.

The annual Cook County School's Achievement Officers convention will be held in the Morrison Hotel on Friday, April 24. Close to a thousand children with their teachers will be in attendance.

An innovation in conventions is being made this year by County Superintendent of Schools, Noble J. Puffer. He is planning a model legislative session. Four bills are to be introduced and passed in the same manner that bills are handled in the State Legislature at Springfield.

Hon. John Devine, Speaker of the House at Springfield will take charge of the House of Representatives branch and Hon. Richey Graham, President pro tem of the Senate will act in that capacity in the senatorial division. The opening address will be delivered by Mrs. Hazel Ott, authoress, lecturer and teacher.

The club presidents are to act as the Senate, and the vice presidents, secretaries and treasurers will make up the House of Representatives. Four bills are to be introduced and passed. Three of them are serious bills that may eventually be brought before the House at Springfield.

One bill is a humorous one which has caught the fancy of the children and will no doubt be passed without a dissenting vote.

The other three bills include one that will raise the State Distributive Fund to thirty million dollars; a bill to make the township the unit in consolidating the schools of Illinois and a bill to make it compulsory that vocational courses in Household Arts and Manual Training be taught in all the schools in the State of Illinois.

County Superintendent Puffer in addressing his assistants on this year's officers convention said: "It is imperative that we give our children more than just text book knowledge of Civics. This year I want them to have the actual experience of the Legislature. We will pass bills exactly as they pass them in Springfield and in Washington. Our presiding officers will be elected officials from our State Legislature; we shall have the bills read and the children discuss them before final passage is made. It is a new experiment in the educational field and I am sure it will prove a worthwhile one."

Prairie Fire Burns Hay Stack, Rural Fire Truck Saves Home

The home of Arthur Noftz, Plum Grove avenue, south of Palatine was threatened Sunday morning when a prairie fire got out of control and destroyed 2 1/2 tons of hay at his place. The fire equipment of the rural fire protection league and the work of volunteers saved the buildings.

Officer Ira Melbourn Returns from the Hospital

Ira Melbourn, local police officer, returned home from the hospital last Friday where he had undergone an operation. He is still rather weak, but is very much encouraged over his condition. His only regret is that he missed all of the primary excitement.

Dr. Walter Maier, Lutheran Hour Radio Speaker, Maine High School With Choral Union Concert May

with the beautiful chorals of the Lutheran church, harmonized by Johann Sebastian Bach, as well as numbers by other great composers.

Children's Chorus
Another feature of the evening will be the singing of the children's chorus of 125 voices. These children are pupils of the various Christian day schools of the surrounding communities and will sing selections in three and four part harmony.

Talent Quest Winners
Augmenting this program two International Talent Quest winners and one district winner, Elfrieda Miller, Sigfried Matson, and St. Paul's Women's Quartet, will present several selections. Miss Elfrieda Miller is the winner of the woman's solo in the International Talent Quest held at St. Louis last summer, and Mr. Sigfried Matson is the first place winner of the piano solo contest.

The admission to the concert is twenty-five cents for adults and ten cents for children. Adult tickets can be obtained from members of the Choral Union.

ARLINGTON HTS.

What is the news? Much comes this way.
That is wiser not to say.
Some homes are sad, for dear ones gone.
Friends they must miss, and journey on.
Wedding bells for some did ring.
And bird songs gaily tell of spring.
The jittered politician folks
About election crack their jokes.
The garden with persistent lure
Prove our resolves will not endure.
Park workers and big taxes threat
Can steal the joy from gardens yet.
Bother the news! Bring rake and hoe,
And let us to the garden go.

received news of the sad and tragic death of Mrs. Peterson's cousin, Mr. Milton Kampen of Barrington, whose death was caused by a heart attack which caused him to fall into a tractor he was running in a field. He fell into the machine and was torn to a wrecked lifeless body Friday evening. Mr. and Mrs. Charles Peterson and family went to Barrington to be with the family.

Sunday, April fifth, Mr. and Mrs. Will Kellogg of North State road, entertained a family group in their home in honor of Mrs. Kellogg's mother, Mrs. E. B. Wheeler's birthday. It was a happy family party and no doubt the mother so honored was happiest of her generation. As dutiful children they wished her many happy peaceful returns of the day. We are sure Mr. and Mrs. Kellogg were genial hosts and that little Sarah did her share.

Mr. and Mrs. Bruce R. Guild came up from Park Ridge Friday evening and were guests of his mother, Mrs. R. J. Guild attending the minstrel show given in the high school auditorium, given by the Merle Guild post, American Legion.

The Friendly Neighbors group met Tuesday this week with Mrs. Edward Fritz, and as the hostess will be sure to make "a good time continue to be had." The jolliest part of this sensible group is they are free to take the children with them.

Mrs. S. Fehlman came home last week from a visit with her daughter, Mrs. Roscoe Schaefer and family in Oklahoma. She found the family all well and the weather kind at this season out there.

Mrs. Lucy Rapp who has been quite shut in her home on West Hawthorne is now cheerfully able to be out again.

Mr. C. M. Leutes of South Dunton Street is reported to be in the Veterans hospital and Mrs. Leutes and little daughter are now sick in their home.

Mrs. S. Fehlman and her son, Martin Fehlman and family, were Sunday afternoon guests of her son Karl Fehlman and family in their home near Woodstock.

Mr. and Mrs. Arthur Schmitz and family have been enjoying a visit from their little grandson, while his parents were moving from the east back to Chicago.

Mr. and Mrs. Edward Fritz entertained as Sunday guests his sister, Mr. and Mrs. James Anthony, and Mr. Roy J. Charnock from Milwaukee. Mr. Charnock is officially interested in PWA projects in his own vicinity and for this interested in seeing how Illinois carries on the same work. With the Fritz family and guests they went to drive about the country that Mr. Charnock might view conditions on the surface. They went to a near by town where the whole aggregation (as Billy Sunday used to say) went up in an airplane, and had a birds eye view—over Chicago included and Mr. Charnock concluded the conditions were about the same as in Wisconsin and Mrs. Fritz didn't think much of window shopping over Chicago.

Miss Miriam Noyes who spent her ten days vacation at her home with her parents and sister, returned first of this week to her classes in Beloit college.

Mr. and Mrs. Clarence Stadler and their son, Norman, drove to Wayne, Ill., Sunday, to visit her sister, Mrs. Hennings. They at-

tended church and Sunday school, where Mrs. Stadler and the pleasure of meeting many old time friends.

The Old Time Mothers Club went to the home of Mrs. Ella Boeger her birthday, April 14th, in full force to meet and greet that dear brave friend and help to celebrate her birthday in the good old fashioned Mothers Way. All know of her long shut up helplessness, and how by courage and strong will she has overcome so much. They also know of her recent sorrow in all this with this mother group we greet Mrs. Ella Boeger and hope happier birthdays will yet be hers.

Mr. George Prasinos who spent the winter in Chicago was out here Sunday looking over his home on West Euclid, where he plans to come with his family for the summer.

Last year Dorothy Williams was ill on her birthday. For a year she has been looking forward to having a party and Friday her wish was fulfilled. This was her first party—that is, when all her little girl friends could come to share the cake. Pink and green were the colors used to make the table attractive. Besides her party at home, each child in her room at school was given a favor that they might have a share in Dorothy's eighth birthday.

Mr. and Mrs. P. P. Martin of Des Plaines called on several South Side friends Sunday evening.

Holy Name Society

The presence of Mr. and Mrs. Parishioner and the music and entertainment featured the opening meeting of the society Tuesday, April 14, 1936. Vice President Pat McDonald opened the meeting and introduced Mr. T. J. Carl, executive secretary archdiocese union Holy Name society.

Reports of the committees was brief, and new and old business was held over, the occasion being purely social.

Mr. Carl delivered a talk on the Holy Name societies, accomplishments, and also of his experiences in the juvenile courts, his several years at the top of this organization and his direct contact with the city courts, gave him accurate information at first hand. The further fact that he speaks always conservatively and has no abusive vocabulary. Mr. Carl's address left

a significant message with each man and woman, who heard him speak.

A meeting would not be incomplete without a few words of encouragement and a few jokes by Father Stier, which is always enjoyed by all.

With Johnny Kinder at the wheel your entertainment committee was in direct charge of all arrangements for the comfort and pleasure of the visitors. We were first entertained by little Audrey Sujack, who sang and danced for us. A one act play, entitled "Your a Cuckoo," presented by the children of the parish was another feature of the evening, and the Blue Rollers of Chicago, with their acrobatic roller skating stunts, was something the stage of Chicago would be proud of. What is entertainment without the piano accompaniment, and the way Mr. Irving Stahl has mastered that art. He played several selections, and concluded the evening's entertainment.

We were next served by the refreshment committee, and what a party they had for us, sandwiches, baked ham and what goes with it, refreshments were participated in by young and old.

It was gratifying to note that our invitation had been so generously met by our Parishioners. We trust that the men folks response will continue to be as generous at our future meetings. We have always felt the society activities are part of the parish work, and should therefore constitute an important part at each meeting.

Everybody went home smiling for all enjoyed a rattling good social time.

Remember the next meeting, May 12, 1936.

The Committee

Asks for Increase in Arlington Police Force

Alderman George Schneberger included in the report of his committee, made to the Arlington Heights village board Monday evening a request for an additional police officer, especially during the summer. Mr. Schneberger informed the board that the multitude of duties and jobs that fall upon C. H. Skoor, who is on duty days, prevent him from exercising the normal duties of a police officer. He has not the time to stop speeding, enforce ordinances and attend to policing duties under the present situation.

Mr. Schneberger drew the attention of the board to the fact that Arlington Heights, with 5,000 population, has only two officers for 24 hours service, while on the "4th" days the village is without police protection except in cases of emergency when the street commissioner must leave his regular work to

answer calls.

Mr. Schneberger also asked that C. H. Skoor be officially given the title of "chief," which has not been done for several years.

The board will hold a special meeting Monday evening to discuss these and other matters left over from the regular meeting.

300 Attend Conference of School Officials, Discuss Finances

Over 300 school officials of Cook county at the invitation of Noble J. Puffer, county superintendent of schools attended a conference and dinner held at Hotel Sherman Wednesday evening, where they discussed prospective legislation to increase the state distributive fund, a movement that is greatly needed for the relief of schools in the more thickly populated areas.

This movement is similar to others that are being organized in other communities and states to secure increased Federal aid for local schools. Among those who attended were all of the members of the Palatine high school board.

Granddaughter of Soldier of Revolutionary War Dies in 86th Year

Mrs. Helen MacNab Spent Entire Life Here; Father Early Settler.

Mrs. Helen Skinner MacNab, nearly 86 years old, a granddaughter of Eli Skinner, a Revolutionary soldier, buried in Elk Grove and a daughter of Laban Skinner, early settler in Elk Grove, passed away April 19 at the home of her daughter, Mrs. Minnie Beaumont, 515 No. Evergreen, Arlington Heights. She reached an age of 85 years, 10 mos., 21 days.

A funeral was held Saturday in the church, in which she had shown unflinching loyalty over three quarters of a century. Rev. Kossack had charge of the services. Music was a quartet of Misses Fern Lorenzen and Hazel Zimm and Messrs. C. I. Davis and D. G. Cosman with Edward Einfeld at the organ. The remains were laid to rest in Arlington Heights cemetery.

Deceased had resided nearly all of her life in Elk Grove and Wheeling township. She was born on a farm near the intersection of Arlington Heights and Higgins roads, the daughter of Laban and Eliza Skinner.

At the age of eight years she entered the Sunday school of the Presbyterian church, and at 16 years became a member of the ladies' aid society, and on April 6, 1899 became a member of the church. She kept her membership in all three until her death. As late as two weeks before her demise, she attended church services completing 69 years of loyal and faithful attendance and support to that church.

"Her fidelity to the church and all of its organizations," stated Rev. Kossack at the funeral service, "stands out as a shining example for present and future generations to follow."

Although a part of the generations of the past, she kept abreast of the times and she took special joy in remembering her friends with greeting cards in their sorrows and pleasures. She was a member of the Arlington Heights Woman's club nearly 45 years and

TO MRS. D. T. MACNAB

A Tribute from the Sunday School
More than three score years and ten so quietly she came,
Into the church and Sunday school, True praise her highest aim.

Her loyal aid, her quiet smile, An inspiration lent;
To the discouraged leader while New light her presence lent.

The gleam so like the little light, In her window she would place,
To light her dear ones home at night, Like the radiance of her face.

Dear friend, so much of us a part, How can we let you go?
You gave new courage to each heart, In ways you did not know.

No words are fitting to express, The sorrow we must feel;
When no more here you come to bless, With your gentle, kind appeal.

Our Sunday school joins to express Sorrow, that here no more
We'll meet her gentle quietness, Our courage to restore.

To her loved ones who here must wait, We in sympathy sincere,
Pray God will guide them to the gates, Where she waits for her own so dear.

attended whenever possible. During recent years she has had the pleasure of having Mr. and Mrs. Marshall Hakes, the latter her granddaughter, in her home at 2 West Euclid St., where she had resided 43 years.

Mrs. MacNab was united in marriage to Duntun MacNab March 1, 1876, and they resided together 56 years until his death May 21, 1932. The health of the deceased began to fail last fall although she had not been very well since the death of Mr. MacNab. The last ten days were spent in bed.

Those who remain to mourn their loss are: Two daughters, Mrs. Min-

nie Beaumont and Mrs. Grace Lorenzen, both of Arlington Heights; one sister, Mrs. Alice Use of Longmont, Colo.; two brothers, Mr. R. C. Skinner of Clarendon, Texas, Mr. Laban T. Skinner of Pueblo, Colo.; four grandchildren, Forrest Beaumont, Mrs. Geo. Kost, Mrs. Arthur Wiese, Gertrude Hakes; two great grandchildren, Melvin Dale Kost, James Arthur Wiese, all of Arlington Heights, besides a host of relatives and friends.

CARD OF THANKS

We desire to express our sincere appreciation for the kindness of neighbors and friends during the illness and since the departure of our mother.

Mrs. Minnie Beaumont
Mrs. Grace Lorenzen
and Families.

Mr. and Mrs. J. Bartels Surprise at New Home

Mr. and Mrs. John Bartels were pleasantly surprised last Tuesday night in their new home at Schaumburg Center by their old neighbors. They sure had a grand time. The ladies played bridge while the men played the favorite solo.

Those present were Mr. and Mrs. Herman Krue and children, Mr. and Mrs. Fred Bartels and children, Mr. and Mrs. George Behrens and Marie, Mr. and Mrs. Eggersman and Marilyn, Mr. and Mrs. Timmerman, Mr. and Mrs. Wm. Freis, Mr. and Mrs. John Freise, Mr. and Mrs. Emil Lichhardt, Mr. and Mrs. Pohlman and children, Mr. and Mrs. Edwin Benhart and children, Mr. and Mrs. Wm. Rohling and Veronica, Mr. and Mrs. F. W. Pfingsten.

OBITUARY

AUGUST POPP

Mr. August Popp was born May 27, 1851 in Catlow, Pomern, Germany, came to the United States at the age of 18 years and made his home in Chicago, from there he went to Schaumburg where on May 6, 1886 he was united in marriage to Miss Maria Heide in the Schaumburg Lutheran church by Rev. Mr. William H. Kruger was born May 26, 1867 in Vernon township, Ill., near Half Day, was baptized October 6, 1867, in Long Grove and was confirmed April 2, 1882, at Long Grove, Ill. On March 11, 1896 he was united in marriage to Miss Minnie Pepper at Long Grove Evangelical church. After marriage they made their home near Prairie View for a period of four years, then at the present home on Lake Corners. Mrs. Kruger passed away about five years ago. Mr. Kruger passed away suddenly Friday evening, April 17, 1936, at the home of his daughter and son-in-law, Mr. and Mrs. August Buesching at Lake Corners at the age of 68 years, 10 months and 21 days.

He leaves to mourn his departure his daughter, Mrs. Ada Buesching and a son-in-law, Mr. August Buesching; four grandchildren and two brothers, Mr. Henry Kruger of Wauconda, Mr. Richard Kruger of Downers Grove, Ill.; four sisters-in-law; two brothers-in-law.

Funeral services were Tuesday afternoon, April 21, 1936, at 1:30 p. m. at his home at Lake Corners and at 2:00 p. m. at the Lake Zurich Evangelical church, Rev. Irion officiating. Solo numbers by the ladies of Lake Zurich Evangelical church; funeral arrangements by Frehm & Karstens and interment was in Lake Zurich cemetery.

Kindergarten Children Have 'Farm Party' With Albert Meyer as Host

Mr. and Mrs. Albert Meyer, Schoenbeck road, were hosts Mon-

day morning the group one of the Kindergarten class conducted by Mrs. Milton Daniels. It is the busy time for farmers, but Mr. Meyer took time to take the little tots upon a hay rack ride about the farm and introduce the kiddies to the pigs, cows and other farm animals. Mrs. Meyer had a pony brought to the farm especially for the occasion. Both Mr. and Mrs. Meyer did not want to play any favorites and Thursday provided the same entertainment for the children of the second group.

RIVER ROAD SCHOOL

The River Road Achievement club wishes to thank the directors and our many friends in helping to make our bunco and card party the success it was special thanks to Mr. and Mrs. Elmer Jacobs and Mr. and Mrs. Walter Butenschoen for the kind efforts in securing prizes from the various business houses. Many thanks also to Mrs. Newman for the lovely cake donated.

P. T. A. HOLDS AN INTERESTING MEETING

Chorus Makes First Appearance and Is Praised Highly.

The P. T. A. chorus opened the meeting of the Arlington Heights P. T. A. at South Side school Tuesday evening.

More than one expressed surprise and pleasure at what Mr. Millitzer had been able to accomplish with the chorus in so short a time considering the bad weather in January and February.

We sincerely hope the chorus will continue.

Mrs. Jarvis gave interesting data from the convention held in the Stevens Hotel last week to which she was sent as delegate of the council of N. W. suburbs. Her description of the foyer with its black marble background against which was placed the regal lilies; of the ballroom with its mirrored splendor was given in the inimitable "Jarvis" manner.

But, when she started on what she heard, we realized what we had missed by not being present; also of the enormous program the P. T. A. covers. It made one feel able to know that in a small way we are part of this great movement.

Mrs. G. Baxter gave her report on the "Hot Lunches" which made one feel we had progressed some in our own community. We are grateful to Mrs. Baxter, Mrs. Dick and the many others who helped make this a success.

Mr. Griffith, recreation chairman, read a paper on "The Responsibility of the Community to Its Young Folks." He brought out many helpful points on our responsibility to the child who has been cheated out of the true things of life—home life, church connections, etc. He said "Don't send your child to church—take him."

Other points brought out were the "help and encouragement the church could be in abolishing 'gangs'" by developing "holo groups." The child "should not be denied but encouraged." They must be kept busy. They could then be kept home—not "thumbing and bunning around the country."

Mr. Albert Volz showed films on Bryce Canyon, Rose Parade and our own Klehm's Peony farm.

It was a very fitting climax to be taken in imagination to God's country. It made one realize that if we could appreciate more the God given things and transplant their beauty into a child's mind we would then have accomplished something indeed.

Oh yes, the candy sale. It was a great success, we had to call on the "reserves" for extra salesladies. There was plenty for all but that's all there was—there was no more. Northwest Council meeting May 8 at St. Luke's church, Park Ridge. More information next week.

Child Study-Home Making

Child Study and Home-making class at Arlington Heights met Monday at the south side school.

Mrs. Cronish introduced Mrs. C. Grobel of Chicago public library, who gave much interesting information and guidance on selection of suitable reading matter for children of different ages.

Mrs. Paul Williams introduced her speaker, Mrs. I. W. Giese, Mrs. Giese had many formulas for soaps and polishes for use on as many different articles. Her topic being "House Cleaning."

Next combined meeting of Child Study and Home-making will meet Monday, May 4, at 3:30 p. m., South

Side school. Mr. Legg, assistant principal of Maine township, speaks on "Counselling."

Mrs. Florence Kummelshuepf, Lake-Cook County Farm Bureau, speaks on "Canning." All invited.

P. T. A. Chorus meets as usual South Side school Monday, 8 o'clock, Mr. Theo. Millitzer directing.

A Message To Parents:

All parents of boys from the age of twelve to eighteen years are confronted with the problem of creating sufficient activities to maintain interest during that period of development. This problem is especially acute during these days and it is important that it be solved in a practical manner.

Following the arrival of a boy at the age of twelve years he undergoes a change in attitude toward life and begins a gradual development toward manhood. It is during this period that the most good can be accomplished toward directing his later life. For a parent to neglect his child in this respect is serious. For a parent to misdirect his child at this time is worse.

It is said that but three percent of all men give their boys the full benefit of their companionship. The other men are either too strict or too indulgent, or find themselves unable to understand the boy, so that they can't give their sons the time and advice which they so urgently need. It was to supply this need that such organizations as the Boy Scouts of America came into existence. The men who devote their time to this organization do so without hope of gain for themselves, but solely for the good that can be done for the boy and the community.

If you have a boy of scout age I urge you to encourage him to become a member of a local scout troop. Your boy will learn useful things, will be kept in good company, and will enjoy the outdoor activities which are a part of the scout program. If he does not join, you will have a greater responsibility to the boy as he will have too much leisure time which will not be directed along proper lines of activity. This statement presumes that you have not sufficient time to devote to your boy. Let the local scoutmasters assist you to make your boy the man that you wish him to be.

Robert M. Thomson.

Car Turns Over But Nobody Hurt

The first auto accident of the season occurred Sunday, April 19, at Northwest Highway and Central road.

Both cars were driving east on Northwest Highway and at Central road, Emory Butz in a Ford V-8 started to go around the car of Charles R. Shaffner who attempted to turn his Ford V-8 onto Central road causing Butz to side-swipe him and turn him over on the right side of the car. Although the Butz car slid quite a way on its side on the concrete, and there were four grown ups and a couple of children in the car, very fortunately no one was hurt—not even scratched.

The Shaffner car, which also had four grown ups and a couple of children in it, did not turn over. The damage to the latter was slight, but the former was pretty well banged up.

The Butz family were from La Crosse, Ind., while the Shaffner came from Joliet, Ill.

Miss Rosalinda Laufer Is Bride of Alvin Popp At Lindner Home

Miss Rosalinda Laufer, daughter of Mrs. Joseph Lindner of Arlington Heights became the bride of Mr. Alvin Popp, a son of Mrs. Amanda Popp, of Arlington Heights, in a pretty home ceremony held at the Lindner home, 103 North State road, at eight o'clock Saturday evening.

The rooms were attractively decorated with palms, Easter lilies and ferns. To the strains of Lohengrin wedding march, played by Miss Sylvia Radke, the wedding party took their positions before the Reverend A. A. Kossack, pastor of the Presbyterian church. The bride, upon the arm of her stepfather, carried a shower bouquet of white roses and white sweet peas and was attended by Miss Alice Chidley, as matron of honor, attired in blue and carrying talisman roses and sweet peas. Two train bearers, each five years old, Charlotte Herst, of Chicago, who was attired in pink georgette and Fred Haemker, Jr., attired in white linen, carried the long train of the bride. Henry Popp, brother of the groom, served as best man.

"The Wedding of Jack and Jill" was sung by little Charlotte Herst. Following the ceremony and the shower of congratulations a buffet supper was served about a large wedding cake apportioned of the occasion.

Mr. Popp is employed by the General Electric company and the bride has been office secretary at the Lindner mill the past 5½ years. They are making their home at 932 North Highland avenue.

The wedding was attended by 35 guests, among them being Mr. and Mrs. Ernst D. Laufer, who came from Gallipolis, Ohio, to attend the ceremony.

Miss Aloise Henning Bride of Elroy Harris In DeKalb Ceremony

Miss Aloise Henning, daughter of Mr. and Mrs. James B. Henning of DeKalb, became the bride of Mr. Elroy J. Harris, of Arlington Heights at four o'clock in the afternoon of April 11.

The Rev. F. D. Elmer of DeKalb read the ceremony in the presence of a small group of relatives and friends in the home of the bride's parents.

The bride, who was given in marriage by her father, wore a simple but lovely hand-knitted lace dress. A satin braid held in place her finger-tip veil of tulle. She carried a sheaf of Easter lilies.

Miss Helen Holland of De Kalb, wearing a turquoise blue taffeta dress and picture hat to match, was the bride's only attendant. Miss Holland carried pink sweet peas. Mr. A. Herbert Chidley of Arlington Heights served as best man.

Music, before the ceremony and during congratulations was furnished by Miss Isabel Shurtliff, violinist of Sycamore, accompanied at the piano by Miss Fern Lorenzen of Arlington Heights.

A wedding supper was served at five o'clock at the Rice Hotel in DeKalb.

Mr. and Mrs. Harris will be at home at 15 N. Vail street, Arlington Heights.

The bride is an instructor of the fifth grade at the Arlington Heights public school.

1936 Convention Report Illinois Parents-Teachers

WEDNESDAY SESSION

Approximately a thousand men and women assembled in the grand ballroom of the Stevens Hotel, Chicago, for the opening session of the 37th annual convention of the Illinois Congress of Parents and Teachers, Wednesday afternoon, April 15, with the president, Mrs. Arthur R. Williams of Normal, presiding.

Raabi Ferdinand M. Isserman of St. Louis, Missouri, addressed the convention on the topic "The American Dream." According to the speaker "The American Dream is that of a nation in which men of all religions, creeds, denominations live in peace and harmony and work together for the common good."

Dr. Isserman outlined the four main elements of the American spirit: (1) An appreciation of religious differences and an atmosphere free from religious hatred and bigotry, from religious prejudices and suspicions; (2) Internationalism, which is essential today if civilization is to survive; (3) Democracy, which, the speaker said, will ever remain a pillar of our nation; and (4) a classless nation, a just economic order, one utilizing its freedom to express itself in orderly fashion through vehicles of representative government.

Developing the convention theme, "Harmony, honesty, industry, and frugality—with these the Nation shall endure," Mrs. Williams spoke at the evening session on "The Pursuit of Happiness."

Mrs. Williams enumerated five abilities which are necessary for parents to give to their children if they are to be well and happy: (1) the ability to make friends and to live acceptably in some social environment; (2) the ability to keep well physically; (3) the ability to earn something; (4) the ability to spend wisely; and (5) the ability to enjoy leisure time.

"The whole program of child welfare as carried out by the P. T. A.

Following the ceremony a large number of the Chicago friends accompanied the wedding party to Gus Ladas home, 303 N. Haddon avenue, Arlington Heights, where they were joined with several hundred of Arlington Heights friends, who included much of the local officialdom and other prominent citizens. Following a sumptuous wedding supper served on two floors and enjoyed by over 500 guests, two orchestras, a Greek and an American furnished the music for dancing until an early hour the next morning.

John is a very popular young man with Arlington Heights people and upon his return to the restaurant, after a short wedding trip is certain to receive many more good wishes.

and Pattison, have taken him throughout the world, was born in Buffalo, New York. Pursuing a boyhood ambition to be a minister, young Maier matriculated at Princeton, but was forced to give up his studies after only a few months because of difficulty with his eyesight. On leaving college, he entered the New England Conservatory of Music, intending to study music merely as a hobby until he could decide upon a career. At the conservatory he met his future partner, Lee Pattison, and together they went to Berlin to study under Arthur Schnabel. When the war broke out both young musicians joined up. Pattison in the infantry, and Maier—kept out of active service by his defective eyesight—in the Y. M. C. A. entertainment division. Both young artists received their first acclaim from the soldiers whom they entertained in the Y. M. C. A. huts of France.

CARDS LOSE FIRST GAME OF THE SEASON

Gale Helps Lake Forest Trim Arlington High School 7 to 3.
The Arlington conference baseball season began last Friday in frigid temperature and a gale from the west. Lake Forest trimmed the Cardinals by a 7-3 score on some solid drives and a couple of well-blown home runs, both of which would ordinarily have been easy outs. Two unearned runs in the first inning got the winners off to a good start. In the second, Arlington put together two hits, two enemy errors and a hit batsman for three runs. A walk and three hits, one a home run, in the third inning gave Lake Forest only two runs, largely because of some effective pitching in the pinches by Kehe. Two more runs in the fifth and one in the sixth finished the scoring.
Hitting and pitching by Arlington players showed plainly the lack of practice. The Lake Forest team was much further along. Rose was throwing curve balls regularly despite the temperature, while Kehe did not use a simple hook all afternoon. Kehe's fourteen strike-outs, eight more than Rose collected, made an impressive showing. The game with regularity, two each inning.
The Arlington Heights team gives promise of showing considerable class before long. Herb Kirchhoff, at second would be an asset to any high school team as would Mel Kehe. The outfield of Hedke, Roy Wille, and Granzin, reading from left to right, is competent defensively and carries a lot of power. Clark or Laseke will handle the catching satisfactorily. Ralph Wille has the aggressiveness needed at shortstop and is a hard hitter. Buesing, a sophomore, at third, will improve steadily and bats well. Welflin, Annen, Fingel, Mecklenburg, Chidley, Thune and several others are ready to step in if any one falters. The one real weakness is lack of a capable substitute pitcher, and this may be remedied before the end of the season.

11 Schools Entered In Palatine Relays Saturday

The Fourth Annual Palatine Relays scheduled for Saturday afternoon of this week will bring together over 175 athletes in the largest meet of its kind in northern Illinois. Eleven schools having enrollment under 500 will compete for the championship trophy. Seventy-seven medals will be given to the winners of five places in each of 13 special events and to the winners in each of three relays. There are outstanding men entered in every event and records are sure to be broken.
The meet entries this year include the following schools: Arlington, Barrington, Bensenville, Crystal Lake, Geneva, Grant, Leyden, Libertyville, Naperville, Palatine and Woodstock. Libertyville won the meet in 1933 and 1934 while Arlington walked away with first honors in 1935. This year the teams are evenly matched with Naperville, Libertyville, Woodstock and Geneva rated strongest. Grant and Crystal Lake have outstanding men and may come out ahead. Arlington has a new team but several strong competitors. Palatine has no sure point getters this year and Leyden, taking up track for the first time, is an uncertain quantity. Barrington has three or four men sure to place and Bensenville has two men who will be hard to edge out of first place honors in their specialties.
The meet will start at 1:30 p. m. with the shot put and pole vault. The track events will get underway at 2:00 with the following order of events: High hurdle preliminaries, 100 yard dash preliminaries, 440 yard dash, high hurdle finals, 100 yard dash final, Frosh-Soph 440 yard relay, 880 yard run, 220 yard dash preliminaries, 200 yard low hurdles, Medley relay, 220 yard dash final, mile run, 880 yard relay.
Ray of Libertyville who cleared six feet in the high jump at the Oak Park relays, is expected to break the record in that event. Sharpe of Grant stands a good chance of bettering the shot put mark as he has made close to 50 feet this season.
The outstanding dash men appear to be Kraemer and Peacock of Woodstock, Schwalter and Seibetta of Geneva, who have made 10.5 ft. in the 100, Madden of Libertyville, and Vensberg of Leyden. Gauron of Leyden, Padlock of Grant, and Johnson and Hull of Arlington have made good 440 records.
In the mile and 880 yard run there are many stars including Getz of Naperville, Gallery of Bensenville, Noftz of Barrington, Austin of Woodstock, Hull, Senne and Mills of Arlington, Mavis of Crystal Lake, and Philbin of Palatine.
Shewalter of Geneva, Newhouse of Libertyville, and Davis of Bensenville are expected to push Ray for top honors in the high jump.
White of Naperville should win the pole vault. He cleared 11 feet 10 inches in the big Oak Park meet. Bout of Barrington is expected to rank high in the pole vault and broad jump.
Koske of Bensenville and Sharpe of Grant expect to battle for first place in the discus throw.
New hurdle records are pretty sure to be set by someone in the group which includes Lorimer of Crystal Lake, Seibetta of Geneva, Peacock of Woodstock, and Richards of Arlington. Jager of Libertyville and Young of Crystal Lake are two outstanding javelin throwers.
Bleachers are being provided for the Palatine Relays this year and an admission price of fifteen cents will be charged students having identification cards and twenty-five cents for all others. Spectators are asked to cooperate with the meet committee by staying on the outside of the track. Only competitors and officials will be admitted to the infield.
Crystal Lake Wins Over Arlington and Woodstock
Crystal Lake won a well contested track meet from Arlington and Woodstock last Saturday with a margin of six points over Arlington, who took second with a sum of 5 points over Woodstock.
16 boys broke into the scoring for Arlington. Eight scored for Woodstock and 8 for Crystal Lake.
Lorimer and Dewey of Crystal Lake, carried off top scoring honors with 18 and 15 points. Peacock of Woodstock was third with 13½ points and Hull of Arlington was fourth with 10.
The meet was close throughout with Crystal Lake sewing up the contest by taking first and second in the last event on the program, the broad jump.
Arlington scored a four place slam in the 440 and took 3 out of 4 places in the half mile.
Crystal Lake 56½
Arlington Heights 50½
Woodstock 45½

Praise of 'Dream'

That Shakespeare wrote for all the people rather than any one class is shown in his Midsummer Night's Dream which has its northwest suburban premiere at the Pickwick theatre April 27 and 28.

Students of grade schools sit beside professors of literature and taxi drivers touch elbows with dignified solons, in common enjoyment.

Just as predicted by all reviewers of this Warner Bros. picture, this comedy strips the veneer off all who see it. Carried away by the beauty of the production, awed by the grandeur of the spectacles and enthralled by the immortal music of Mendelssohn which has been especially adapted for the picture, seer and youth alike thrill to the action and respond to Shakespeare's broad humor with hearty guffaws of unrestrained laughter.

All seats for the production are reserved. There are two shows daily, matinee at 2:30 and evenings at 8:30. Tickets are now on sale at the Pickwick box office.

SCOUT CRAFT

A group of twenty-two enthusiastic Scouts from the Northwest Suburban council attended the Region 7 Scouters Seminar in Evansville last Sunday. The Seminar was an all-day session and the subjects for discussion were presented by four members of the National Staff of the Boy Scouts of America, each Scout attending a single session for the entire period.

The Northwest Suburban Council was presented with a blue ribbon for attendance having exceeded their attendance estimate and having representatives in each of the four different sessions.

The University of Scouting of Boy Scouts of America, held its Northwest Suburban Council, held its fifth and final indoor session at the Maine Township high school on Wednesday evening.

C. M. Arnold, Scout Executive of the Oak Park Council, presented the subject "The program which fits the needs of the older boy" at the opening session of the course.

On Saturday afternoon, April 25, the course "The Elements of Scout Leadership" will hold a hike which is the final session of this course. The hike will be held at the Cabin belonging to Troop two of Park Ridge located at the south edge of the Elk Grove Forest Preserve. The Scouts will assemble from 2:00 to 2:30 p. m. and the program based on the Second Class requirements will be conducted during the afternoon.

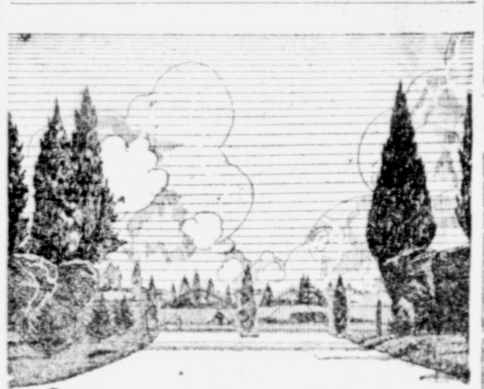

BUNCO AND DANCE

Irving-Wolf school district 82, located at Irving Park boulevard and Wolf road, will give a bunco and dance party, Saturday, April 25. Admission 25c.

NEWS OF INTEREST
TO LOVERS OF DANCE

More good news seem the order of the day. The S. C. C. S. of St. James report a very efficient committee planning a dance for an early date in June, a later bulletin will announce the place and date.

for Dreary Homes**

● The hazy blue of Atlantic spray... the zestful green of crisp, fresh lettuce... the rich, golden tint of Guernsey cream—these, and five other glorious Jewel LO-LUSTRE colors are the makings of a paint bracer we prescribe for run-down, paint-dreary homes. The gloomiest interiors have been cheered up by these restful, semi-gloss enamel finishes—and so have the people who lived in them. For a new lease on living, select Jewel LO-LUSTRE—the hard, smooth finish that laughs at match scratches and pencil marks, scorns germs and grime... and welcomes water!

**"I'M DOUBLY GLAD
I BOUGHT A
MODERN GAS RANGE"**

Modernize your kitchen! Gas ranges are efficient gas stoves. They save time, are clean, and are economical. Once you will have a modern, beautiful-looking kitchen you will be proud of it.

"When I bought a new gas range, I was sure it was a better cooking and baking device. With my new range, I never have a burnt, faded, and my kitchen always stays cool, no matter how much baking I do."

It's true. The new, modern gas ranges will thrill you with their beauty and many improvements. They will also make greater convenience. They are better insulated, have perfect oven heat regulation, and make better baking results. Their burners light automatically when you flick the handle. They are equipped with a hinged burner-cover that forms a handy table-top. But come in and see for yourself. Inspect the many new models now on display. Learn how easily you can own one. Then trade in your old stove while our special allowances and terms are offered.

To cover interest a somewhat higher price is charged for Ranges sold on deferred payments.
